Dear Beloved Family and Friends in Christ,

What a powerful message of hope! Yes, Earth, receive your King! Receive Him and experience your transformation into His glorious kingdom!

We, Rev. Mother Mary Paul and Sr. Mary Agnes, send our warmest greetings with our prayers that the joy of the Lord Jesus would fill your hearts to overflowing, and that each of you would receive Him fully in a radical and transformative way such that the earth would be renewed. Come, Lord Jesus!

Sisters of Divine Grace has been blessed with the good care of the Lord bestowed upon us through so many of God's people on our journey from Idaho through Montana and on to Tennessee these past few years as we, like the Holy Family, searched for a place to rest. Difficulties, trials, and obstacles of varying degrees challenged our faithfulness and resolve. When we experience difficulties, trials, and waylaid plans don't we often truly wonder...about God, our purpose, if we can handle it, the spiritual significance, and generally, "whatever is the Good Lord thinking?" Advent is the season of wonder! We, too, have wondered as one possibility after another disintegrated into uncertainty and warranted a move to another new place, where we began again.

Yet, it has been, indeed, a most profound experience, sharing faith in the Lord Jesus Christ with people across the country: in airports, stores, parking lots, hospitals, travel stops, and gas stations along the highways; in Montana, Maryland, New York, Tennessee, South Dakota, Missouri...; with Christians and non-Christians of various denominations, ages, and circumstances. We have been humbled and blessed by the receptivity and generosity of people as we prayed with them. We have learned that TRULY God can bring good out of ALL of our troubles, (*Rom. 8:28*), and that we TRULY are His witnesses.

The love, generosity, smiles, prayers, and encouragement of so many friends along the way helped to steady us. We kept going and through it all have remained stable in our living of religious life according to our Constitutions, and have grown in our spiritual walk with the Lord as His brides. For this we are so very grateful.

We have returned to Idaho and will spend this next year praying, studying, living our religious life and developing our healing prayer ministry. We will remain docile to God's will for the future of SDG as we seek a permanent residence and a bishop to endorse us. We ask for your prayers and remember all of you in ours. You are all part of the Sisters of Divine Grace, Missionaries of the Heart of God, transforming the earth through the joy of His Healing Love. Through all of us...HE IS COME!
